Welcome to Band Camp 2011

Monday August 1-August 5th &
Sunday August 7th - Friday August 12th

Notes From the Directors:

Soon the rhythmic cadence of the drum line, the flash of flags flying, and the stirring sounds of our Fight Song and War Chant will fill the air all across Vero Beach signaling that the **"Pride of the Treasure Coast"**... **No Ordinary Band of Indians!**... is **BACK IN TOWN** gearing up for another exciting fall season. The excitement and sounds of Friday night "Fighting Indians" Football can be heard for miles around and you as a member of the band assume a very special role in the VBHS family and tradition.

During our first week of camp we will be focusing on the fundamentals of music and marching performance building a solid foundation for the application of our music to drill. Attendance at this week and the mastery of fundamentals is a requirement for our success and each student must earn their final position in the show during this critical time. During week two, we will learn our field show and attendance during this time is required. Please refer to our attendance policies regarding camp participation under the week one and week two specifics located on pages 2 and 3 of this newsletter.

We have a classic rock football show planned. "A Classic Case of Vinyl" featuring top hits from Pink Floyd, Jethro Tull, Led Zeppelin, Jefferson Airplane, and the Rolling Stones is sure to "wow" our Citrus Bowl fans at halftime and we are looking forward to good music, friends, and fun during our band camps. Special activities will include our "Family Picnic on Sunday afternoon, "Fun and Games" on Monday, Bowling on Tuesday, Swimming on Wednesday, R & R on Thursday, and our "Skits and More" / "Camp Dance / Pizza Party" (with DJ) on Friday night. We expect everyone to work hard but play hard too.

Throughout this newsletter is information regarding the band camps, location, and other information. Students and parents are reminded take a look at the band website and calendar to stay updated. **Medical Forms and Contracts must be on file by the beginning of camp. Also arrangements must be made for camp payment or scholarship assistance.**

We are very excited about the 2011-12 Band and are looking forward to a great band camp experience. We are glad to have you on board as a "Fighting Indians" Band Member at Vero Beach High School... where it's GREAT to be a FIGHTING INDIAN!

VBHS Campus Closed

As a general policy, the campus areas and buildings used for band camp (including the practice field) is closed to visitors during the weeks of band camp with the exception of Friday morning of week two. We ask that everyone respect our camp hours and refrain from visits or interruptions of any kind during camp hours.

Conduct and Discipline

Exemplary conduct, discipline, attitude, and good manners are expected of all members of the band. In the rare event that an issue should arise where the actions of a student are in violation of school or band policy to the degree that disciplinary consequences are required by the school administration, the school Principal will be notified and the parent will be contacted to make arrangements for the student to go home. The student will not participate in any aspect of the band program until the Principal has settled the situation with the student, parent, and band directors.

Coming Soon... We are in the process of using some new technology that hopefully will improve communications between the band office and families. A program called "Charms Office Assistant" is slowly coming on line. This program will allow for mass e-mail communications and automatic voice announcements to members. Eventually all members will have access (via password) to their personal band account, e-mail, calendar, and other information through this program. In fact you may already be receiving mass e-mail through this system. More info to come.

Band Camp - Tips for Success (Weeks One and Two)

Visitors to camp are discouraged except on Week Two, Friday morning for the final rehearsal. Distractions from the business of camp are not allowed. Parent meetings during camp week are also discouraged. Students are expected to remain at camp until dismissal of each evening.

Dress for rehearsals... light weight and color, cool, comfortable, and frumpy (big and loose)... in good taste... must be covered for sun protection at all times. Shoulders should be covered for sun protection along with a hat or cap and sun lotion to prevent burns. Tennis shoes with athletic socks are also required for rehearsals.

Money for misc. expenses during recreation is suggested (example: snacks). We suggest that you bring your own change (Quarters ect). **Dinner is provided along with a light snack during the morning rehearsal. This is included as part of your camp fee.**

Snacks for the afternoon and lunch each day are the responsibility of each student. You should bring a "good" supply of a variety of healthy items that you enjoy. **NOTICE: DO NOT BRING CAFFINATED ENERGY DRINKS!**

Hydration & Nutrition is the overall responsibility of the student. Each student should hydrate each evening before going to bed and drink at least 16 ounces of water one hour before arrival at camp. A healthy breakfast with protein is important at least one hour prior to the arrival at camp. Lunches and snacks should be healthy with protein as well drinks should be limited to sports drinks and water (no soft drinks). Junk food and fast food are not recommended. **If you have food allergies, please make sure these have been fully noted on your medical forms.**

Prescription Medications needed during camp should be turned in to chaperones to hold for the student to use during camp. Please label all containers with your name, any instructions, and place them in a zip-lock bag. Please have your parent brief the Chaperone Coordinator(s) prior to camp regarding any special conditions or medical needs. **We do not dispense any over the counter medication of any kind to students.**

Dance and Skits will be on Friday evening of week two. Dress is to be "Sunday" dress. This includes ties for gentlemen and nice dress or slacks outfits for ladies. Please refrain from inviting guests as this is an event for the "team". Please avoid jeans and tennis shoes and understand that while this is a dress up event, you may not wear "club type" dress. School dress code policy is expected.

Swimwear should be appropriate for a school activity. We are not "at the beach" and you do not have the freedom to wear swimwear that is "Tan-kinis Style". Modesty please!

Clothing should be selected with rehearsals, comfort, and **sun protection** in mind. We suggest that you bring a change of clothes to keep in your locker or bag in the event we should be rained on or if you feel that you will need to change before or after recreation.

Label and Mark all personal items such as bags, instruments, water bottles, folders, along with any item that can get mixed up with other similar items among your band peers.

Cell Phones – Only as allowed in cell phone policy – See attachment and band hand book.

Electronics should be left at home. The band is not responsible for lost items.

Courtesy and Respect for everyone is a band tradition.
